## Swim Lesson Changes

Beginning in January 2011, you will see some changes to the structure of our swim lessons. We will no longer offer six week sessions; however we will now offer 12 week (3 month) sessions. You will have the option of doing all 3 months, or two, or just one, but we hope you join us for all 3 months! I feel that ongoing lessons will benefit your child's swim progress greatly, and relieve you of missing registration deadlines!

For your convenience, there will be three options for lesson times: Mondays/Wednesdays evenings, Thursday evenings and Saturday mornings. Our Parent-Child classes will be Wednesday evenings and Saturday mornings, and Adult Lessons on Saturday mornings as well. Times and class levels will stay the same.

Our first quarter of swim lessons will begin January 3 and go until March 26, 2011. We will have our Spring Break Splash Swim Camp March 28-April 1, 2011 and our second quarter will be from April 4 – June 25, 2011.

There will always be space available! If you start lessons after the beginning of the quarter, pricing will be pro-rated. Registration is available online or at the Y.
